

**DENNIS C. HALEY PILOT SCHOOL**  
**PARENT - SCHOOL COMPACT**  
**2018-19**

Every student at the Haley will achieve his or her full potential, developing both the academic skills to excel in learning and the social-emotional skills to become an empathetic and responsible member of his or her family, community, and larger society.

**As a parent/guardian of a Haley Pilot School student, I agree to:**

- Keep open communication with my child's teacher to monitor my child's success.
- Make sure my child comes to school everyday on time and prepared to learn.
- Discuss, reinforce and follow the BPS & Haley handbooks
- Monitor my child's homework and provide a quiet place to work.
- Provide and model 20 minutes of quiet reading time every day.
- Limit and monitor my child's use of the television, computer and video games.
- Talk to my child daily about school activities (friends, activities, etc).
- Schedule conferences with my child's teachers.

**As a student of the Haley Pilot School, I agree to:**

- Attend school everyday prepared and ready to do my best (homework, supplies, etc).
- Follow the Haley dress code.
- Be a peacemaker and follow the Peace Zone Program.
- Be respectful of all staff and children at the Haley School.
- Listen and follow directions.
- Ask for help when I don't understand.
- Ask for help when my problems get too much for me.
- Read at home every night for 20 minutes and fill out my reading log.
- Share papers with my parents and return signed papers to my teacher on time.

**As a teacher of the Haley Pilot School, I agree to:**

- Provide a safe and nurturing learning environment for all students.
- Adjust the curriculum to meet specific needs for instruction and make learning enjoyable.
- Collaborate with families to monitor the student's progress and figure out how to assist the student when he or she is struggling.
- Build a relationship with all the families in my class and provide families with assessments and feedback on the progress of their child.
- Send home learning tools and strategies so that parents can support the student on the subjects learned in school.

To achieve our vision, we adhere to three core principles that define the culture of the school:

- **COMMUNITY:** Children and their families are affirmed and celebrated as valuable parts of the school community.
- **ENGAGEMENT:** Every child is motivated to learn through memorable experiences embedded in the curricula we present and connections to our larger community.
- **EQUITY:** Our instruction is inclusive, individualized, accessible to all, and based on students' diverse strengths and needs
