

BOSTON PUBLIC SCHOOLS

HALEY PILOT ELEMENTARY SCHOOL

Kathleen Sullivan
Principal

Dear Families of Haley students,

This letter is to inform you that a student(s) in your child's classroom/school has a peanut/nut allergy. Strict avoidance of peanut/nut products is the only way to prevent a life threatening allergic reaction. We are asking your assistance in providing the student(s) with a safe learning environment.

The greatest potential for exposure at school is to peanut products and nut products. To reduce the risk of exposure, the Haley Pilot School will be peanut/nut safe. **Please do not send any peanut or nut containing products for your child to eat during school.** If your child has eaten peanut or nuts prior to coming to school, please be sure your child's hands have been thoroughly washed prior to entering the school.

Although discouraged, if your child brings in peanut butter; peanut or nut products for lunch, there will be a designated peanut table in the cafeteria. This plan will help to maintain safety in the lunchroom in a controlled environment.

We appreciate your support of these procedures.

Sincerely,

Kathleen Sullivan
